

**Greg Spigelman**

Greg is the Employment Manager at TotalLink to Community. He joined the team in July of 2021. Greg has over five years of experience working in the drug and alcohol rehabilitation industry, which gave him extensive experience working alongside intervention and behavior specialists. Greg has a passion for building relationships with business leaders and finding the right fit for our clients within their

organizations.

Greg has a BS in Management and an MBA in leadership and managing organizational change from Pepperdine University. While in graduate school, he spent time consulting companies in diversity, equity, and inclusion initiatives, and respective workforce planning. He enjoys spending time traveling to national parks and camping with his dog.
