

February 2024

Dear Friends and Community Supporters,

TotalLink to Community invites you to participate as a sponsor of our **TotalLink Trot**.

The **TotalLink Trot** is a two-mile fun run/walk at the Techny Prairie Activity Center in Northbrook on Sunday, April 28. The TotalLink Trot is an inclusive community event for students, young adults, families, and community members in Northbrook and the surrounding suburbs.

TotalLink2 Community is a non-profit focused on ensuring young adults with intellectual or developmental (I/DD) disabilities can thrive by working, socializing, and contributing to their communities – and making their workplaces and communities better for it.

Funds raised from this event support TotalLink's employment programs, social programs, and learning labs to provide opportunities for young adults with intellectual and developmental disabilities to create meaningful lives in their communities.

Attached are our participation opportunities. We will follow up with you in the next week to see if you are interested in joining our work by sponsoring this event. For additional information, please contact me at amartorano@totalink2.org or 773.610.2446 or visit our website at **www.totalink2.org**.

Thank you in advance for your consideration of supporting TotalLink's important work. In choosing to be a sponsor of The Nuflatot Trot, you will be **supporting inclusion and helping young adults with disabilities thrive in our community.**

With gratitude,

Alisa Martorano
Director of Development
